### Space & Naval Warfare Systems Center Awards Contract

SAN DIEGO — ELDYNE, Inc. (a subsidiary of the TITAN Corp.), in San Diego is being awarded a \$17,176,217 indefinite delivery type contract with cost-plus-fixed-fee pricing for research, design and development support for electromagnetic systems for the Navy and other government agencies. The systems and subsystems include satellite, surface communication, surveillance, navigation, meteorology, electronic warfare, and other systems that either transmit or receive electromagnetic radiation. This contract contains two one-year options, which, if exercised, will bring the total cumulative value of the contract to \$29,085,320. Work will be performed in San Diego (100%). The period of performance for the base period is from February 2000 to February 2003. Overhead funds have been obligated in the amount of \$858,811 and will not expire at the end of the current fiscal year. This contract was competitively procured, with 37 firms solicited and two offers received. Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-D-5041).
